

## NITRYLON

### TECHNICAL DATAS

Type:	knitted
Fiber:	polyester
Coating:	nitril
Cuff style:	elastic
Weight:	light
Colour:	white, gray
Size:	6/XS, 7/S, 8/M, 9/L, 10/XL

### DESCRIPTION

Polyester gloves coated with a layer of smooth nitrile for excellent grip. Extremely light and stretchy, they perfectly fit the hand, guaranteeing precision of operation. Thanks to the Actifresh content, they provide hands with permanent antibacterial protection. A welt on the elastic band protects the wrist and prevents the glove from slipping. The model is characterized by an extremely tight coating and good abrasion resistance.

### APPLICATIONS

The automotive industry, work in greasy, oily environments. Perfect for mechanics, used during work related to reloading and transport.

Markings:	
Abrasion resistance	4
Blade cut resistance	1
Tear resistance	2
Puncture resistance	1
TDM cut resistance	X

PPE regulation (EU) 2016/425 | EN420 General requirements for protective gloves | EN388 Protective gloves against mechanical risk
