

LUMINO

TECHNICAL DATAS

Type:	S1P
Norm:	EN ISO 20345:2011
Size:	35-48
Weight:	extremely light

DESCRIPTION

Protective half-shoes made of natural velour leather and Airnet fabric. Lightweight, breathable, with an excellent anti-slip sole and profiled insole, they guarantee top comfort of use. Thanks to 3M reflectors they provide excellent visibility for the user, and the ATF technology used in the production process guarantees long-lasting freshness as well as antibacterial and antifungal protection. All this combined in modern design provides a pleasant and comfortable foot protection for many industries. Available in S1 and S1P versions.

EN ISO 20345: 2012 S1 P SRC
