TECHNICAL SPECIFICATION

Type: sewn
 Material: cow split leather
 Cuff: long
 Colour: yellow/natural/brown
 Size: 11

DESCRIPTION

Welding gloves made of top quality cow split leather, finished with lining inside. Extremely durable, sewn with strong, temperature-resistant thread, with extra reinforcement at the base of the thumb to protect the seams from burning through. Due to the high quality materials, they provide a perfect fit to the hand, convenience and high comfort of use. The long padded cuff protects the forearm.

APPLICATIONS

Works requiring protection from heat and metal splatter. Welding of steel, aluminium and other metals, grinding, machining.
