## TECHNICAL SPECIFICATION

|           |                    |
|-----------|--------------------|
| Type:     | knitted            |
| Material: | knitwear           |
| Cuff:     | elastic            |
| Weight:   | lightweight        |
| Colour:   | white              |
| Size:     | 6, 7, 8, 9, 10, 11 |

### PROPERTIES

Knitted five-finger gloves, seamless, finished with an elastic cuff. Lightweight, comfortable and stretchy, fit perfectly to the hand. Thin, they provide a good feel for the object being held. Ideal for performing complex manipulations.

### APPLICATION

All work requiring precision and high manual dexterity. Work in dry environments. General mechanical work.

EN ISO 21420:2020

CAT I

PPE regulation (EU) 2016/425. General requirements for protective gloves.
